### **RESULTS OF EASS SURVEY**

We have now considered the feedback received from  
our recent survey to parents, pupils, schools and  
tutors and we have made plans where appropriate to  
address any issues/concerns raised by our service  
users. But, we were pleased to learn that, out of  
those who completed the survey questionnaires,  
98.8% of parents/carers and 100% of schools are  
satisfied with the services EASS provides. More  
detailed statistical results will be available to view on  
the EASS website

### **For the second year running EASS received an Honorary Mention in the National Music Council Awards 2009.**

*"The Enfield Arts Support Service reported an impressive  
number of new initiatives and development and consolidation  
of last year's new programmes. Vocal work especially was  
taken seriously and to good effect. The Service's previously  
noted good range of INSET provision was maintained."*

Full details of our activities in 2008-09 are given in our Annual  
Report which will be available to read on the EASS website.
